Dear Sir or Madam

PLANNING ENFORCEMENT

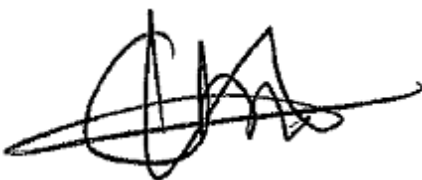

CASE NO: 25/00148/PR15
LOCATION: North Field Farm Rudgate Tockwith North Yorkshire YO26 7DW
ALLEGED BREACH: Erection of pig sheds.

Further to a report received advising us of a possible breach of planning control at the above location, I write to inform you that an investigation has been carried out.

The outcome of the investigation is as follows:- I have spoken with my manager regarding this site and senior colleagues. The introduction of pigs onto agricultural land is not a change of use, furthermore, field shelters used for pigs do not fall within the definition of development as set out in the Town and Country Planning Act 1990, and are moved around a field, therefore there are no breaches of planning warranting enforcement action and the case shall be closed.

If you require any further explanation or assistance please contact me.

Yours faithfully

CHRISTOPHER KEDDLE
Senior Planning Enforcement Officer
