

Bilton in Ainsty with Bickerton Parish Community Emergency Resilience Scheme

This Emergency Resilience Scheme has been developed for Bilton in Ainsty with Bickerton Parish Council. It aims to give the basic information to allow responders to identify potential points of contact and resources within the community that may support their response.

It also gives supporting guidance to members of any Emergency Committee which may be formed, as an aide memoir.

IN AN EMERGENCY CALL 999 AS A FIRST ACTION

Emergency planning and co-ordination will be undertaken by the emergency services and HBC Emergency Committee. The Emergency Planning Officer can be contacted on **(07525988308)**.

It should be noted that at no time must persons put themselves at risk.
